CELEBRATING 41 YEARS
OF PROVIDING EQUAL ACCESS TO JUSTICE

41 Years OF PROVIDING EQUAL ACCESS TO JUSTICE

Join us for our fourth annual Leading the Charge Awards Luncheon to celebrate DeKalb County's commitment to pro bono service. We believe that no one should have to face life-altering legal issues alone. Through the power of community building, we foster relationships where people feel heard and empowered by connecting people who have limited incomes with attorneys who can help them with critical civil legal cases at no cost, pro bono.

Over 40 years ago, lawyers and judges came together to address the staggering unmet need for pro bono legal services. DeKalb Pro Bono grew from that partnership and continues to be the only organization that focuses exclusively on connecting pro bono attorneys with people in need of representation in civil cases in DeKalb County, including the primary program focused on representing victims of domestic violence who are seeking temporary protective orders.

The Leading the Charge Awards Luncheon is an opportunity to recognize attorneys who continue to serve to ensure that all persons in our community have equal access to civil legal services and justice. It is a time to thank our many volunteers who make an indelible mark on those who need it most and, in doing so, create a better community for us all.

Proceeds from the Leading the Charge Awards Celebration make it possible for DeKalb Pro Bono to continue providing these vital services well into the future.

The 2023 Leading the Charge Awards Luncheon will be held on Wednesday, March 15th, 2023 from 11:30am to 1:00pm. The event is hosted at the elegant, historic Druid Hills Golf Club at 740 Clifton Rd., NE, Atlanta, GA 30307 www.dhgc.org
